Subsequent shipping is not under the control of Kannegiesser ETECH, but every effort will be made to arrive on site within a pre-arranged time frame. Kannegiesser ETECH is not responsible for shipping delays that occur due to acts of nature, pandemic, work stoppages, container shortages, steam ship changes or customs clearance matters. Any deviation from previously agreed shipping departures and arrivals will be communicated through the Kannegiesser ETECH Project Manager.

- D. If the customer job site is not able to receive the shipment during this pre-arranged time, additional storage and transport charges may apply.
- E. Risk of loss and Transfer of Title: The risk of loss shall pass to the Buyer based on shipping conditions (Incoterms 2020) specified.

WARRANTY

Kannegiesser ETECH offers a warranty for the equipment we provide that varies according to the type of equipment. Please see the table below for all warranties provided by Kannegiesser ETECH.

Kannegiesser ETECH reserves the right to rescind the warranties set forth in the below table, if Kannegiesser ETECH has cause to believe that conditions of a warranty are not being met. Any warranty provided herein is valid and enforceable only in the event the equipment or parts sold by Kannegiesser ETECH are installed, operated, and maintained in strict accordance with the specifications of the manufacturer of said equipment or parts. All warranties provided herein shall be void as to all equipment or parts that have been damaged as a result of misuse, abuse, accident, negligence, fire, flood, vandalism, act of nature or other causes beyond the control of Kannegiesser ETECH, such as, but not limited to, the failure to follow maintenance procedures. All warranties provided herein shall also be void on equipment or parts that have been altered or repaired with parts other than those recommended by Kannegiesser ETECH or in any way that affects the reliability or changes the performance of said equipment or parts. Moreover, all warranties provided herein shall exclude normal wear and tear items, such as, but not limited to, belts, chains, gaskets, seals, hoses, membranes, relays, wheels, support rollers, contactors, timers, valves and other similar consumable items.

Kannegiesser ETECH reserves the right to inspect any part to determine cause of failure prior to repair or replacement. No equipment or part may be returned to Kannegiesser ETECH for repair or replacement without prior written authorization from Kannegiesser ETECH. Charges for unauthorized repairs will not be accepted or paid by Kannegiesser ETECH.

Kannegiesser ETECH shall have no liability for any bodily injury, property damage, personal injury, loss, claims, damages, costs, fines, penalties, or expense of any nature whatsoever, directly or indirectly caused by, arising out of, resulting from, or occurring concurrently or in any sequence with, or in connection with: Any actual, alleged, or threat of infectious or communicable disease resulting from any virus, bacterium, parasite, fungus, or other microorganism (whether living or not) that induces or is capable of inducing physical distress, illness or disease, including but not limited to diseases arising out of coronavirus (COVID-19), severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2), and any mutations arising from or relating to infectious or communicable disease, and Customer agrees to hold Kannegiesser ETECH harmless, and to defend, and indemnify Kannegiesser ETECH, from all such liability.

KANNEGIESSER ETECH TERMS AND CONDITIONS OF SALE

KANNEGIESSER ETECH DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THERE ARE NO REPRESENTATIONS OR WARRANTIES EXCEPT AS PROVIDED IN THESE TERMS AND CONDITIONS. KANNEGIESSER ETECH NEITHER ASSUMES, NOR AUTHORIZES ANY PERSON TO ASSUME FOR IT ANY OTHER WARRANTY OR LIABILITY IN CONNECTION WITH THE EQUIPMENT OR PARTS SOLD BY KANNEGIESSER ETECH.

WARRANTIES

*Freight and labor not included

New Laundry Equipment will be free from defects in material and workmanship for a period of twelve (12) months from the date of shipment or 2,080 operating hours (whichever comes first) to an original purchaser.

E-RAIL track, track switches (excluding cylinders), and lifts (excluding cables and cylinder seals) are warranted for **5 years or 10,400 operating hours**.

TC-TRAK track, track switches (excluding cylinders), and lifts (excluding cables and cylinder seals) are warranted for **3 years or 6,240 operating hours**.

Controls Components are warranted for **1 year or 2080 operating hours**, including no charge modem support during this period. PC hardware is warranted by the manufacturer for up to 3 years.

Other Components, equipment, parts, and individual purchased rail sections are warranted for **1 year or 2080 operating hours**.

Authorized Warranty Replacements are warranted for the remainder of the original warranty period under which they were replaced.

New Laundry Equipment or parts sold but not manufactured by Kannegiesser ETECH are warranted to the extent provided by the manufacturer of the equipment or parts. Kannegiesser ETECH does not assume responsibility for the warranty of any such manufacturer of equipment or parts and does not warrant that such manufacturer will comply with the terms of its warranty.

Reused or reconditioned equipment is not warranted except when provided as an authorized warranty replacement part or component in which case it is warranted for the remainder of the original warranty period of the component or part it is replacing.

In order to enhance safety and equipment life, it is essential that correct operational and maintenance procedures are followed. It is also imperative that equipment is not modified in any way without the prior authorization of Kannegiesser ETECH Engineers. Failure to correctly use and properly maintain Kannegiesser ETECH equipment or the use of non-OEM parts voids any warranty coverage hereunder, and can result in potentially dangerous conditions for your operators or other personnel. A risk of serious injury or death may occur if equipment is improperly used, used while in a state of disrepair, improperly maintained, is modified, or if non-OEM parts are used. If you suspect that any Kannegiesser ETECH equipment is in an unsafe condition do not

use that equipment. Contact authorized maintenance personnel or Kannegiesser ETECH immediately.

REMEDY

Kannegiesser ETECH's sole responsibility and liability and customers exclusive remedy under this Agreement shall be limited to the repair or replacement of goods (F.O.B. Kannegiesser ETECH shipping point), or, at Kannegiesser ETECH's option, return of the goods and refund of monies paid thereon without interest provided customer is not in default hereunder. Further, in no event shall Kannegiesser ETECH be liable for any injury to persons or property, or for any general, special, incidental, consequential, or exemplary damages, however caused, or attorney's fees.

Kannegiesser ETECH reserves the right to repair instead of replacing failed equipment. Any warranty provided herein does not include freight, including freight for the return of failed parts, and does not include any obligation to provide or pay for any labor required to service, remove, install equipment or parts or to diagnose trouble related to such items. Both freight and labor are the responsibility of the purchaser.

Customer agrees to hold Kannegiesser ETECH harmless, and to defend, and indemnify Kannegiesser ETECH, from all claims arising from or relating to customer's modification or inadequate maintenance of the equipment, negligent or unreasonable operation of the equipment, operation of the equipment not in accordance with the operator's manual, or the use of non-OEM parts, and Kannegiesser ETECH shall have no liability of any type whatsoever arising or relating to such circumstances.

DELAY OR NONPERFORMANCE

Kannegiesser ETECH shall not be liable for failure or delay in performance hereunder due in whole or in part to strikes or lockouts, work stoppages, fires, acts of terrorism, accidents, wars, rebellions, civil commotion, public strife, pandemics, acts of any government, whether legal or otherwise, acts of public enemies, forces majeure, inability to secure or delay in securing transportation, inability to obtain or delays in obtaining goods, materials, or qualified labor, or any other causes beyond Kannegiesser ETECH's reasonable control; this specifically includes delays or inability to obtain product because of the actions of Kannegiesser ETECH's suppliers.

DEFAULT

If Customer fails to make any payments when due, or if there is a breach of any covenant or agreement by Customer, or if Kannegiesser ETECH deems itself insecure, then Customer shall be deemed in default and Kannegiesser ETECH shall have, at its option, the right to take immediate possession of the goods, suspend performance, decline to ship or to stop any material in transit, and/or declare all unpaid amounts immediately due and payable. Kannegiesser ETECH or any subsidiary or affiliated companies of Kannegiesser ETECH shall also be entitled to set off any amount owed to Customer or any of Customer's related entities against any amount payable to Kannegiesser ETECH in connection with any unpaid monies due to Kannegiesser ETECH. Additionally, Kannegiesser ETECH shall have all the rights and remedies of a secured party under the Uniform Commercial Code in addition to all other rights as established herein or provided by

KANNEGIESSER ETECH TERMS AND CONDITIONS OF SALE

Minnesota law, which rights and remedies shall be cumulative. Further, if Kannegiesser ETECH chooses to resell or scrap goods that are the subject of a default, Customer hereby acknowledges that Kannegiesser ETECH may resell or scrap such goods at a private sale without giving any further notification of its intention to do so to Customer. Waiver by Kannegiesser ETECH of any breach or default shall not constitute a waiver of any subsequent breach or default. In the event Kannegiesser ETECH refers any unpaid past due balance to an outside collection agency and/or attorney for collection, Customer agrees to pay Kannegiesser ETECH's reasonable attorneys' fees and all other costs of collection.

CANCELLATION

A contract may be cancelled or modified only by written agreement between Kannegiesser ETECH and Customer. Customer's insistence upon cancelling or suspending fabrication or shipment, or Customer's failure to furnish specifications when required, may be treated by Kannegiesser ETECH as a breach of contract or default by Customer, and Kannegiesser ETECH may cancel any unshipped balance without prejudice to any other remedies Kannegiesser ETECH may have. Order cancellation is subject to 25% restocking fee.

ACCEPTANCE

Order of equipment is not considered to be complete until all machine specifications, drawings and terms of sale have been agreed upon; down payment received, and a signed order/issued purchase order has been received by Kannegiesser ETECH.

These Terms and Conditions shall be deemed binding on Customer by its submission of a signed order/issued purchase order to Kannegiesser ETECH. These Terms and Conditions may only be modified if in writing and signed by an authorized officer of Kannegiesser ETECH; each of these terms and conditions shall remain in effect unless the provision(s) are explicitly contradicted by the aforesaid writing. If Customer submits a form with contrary terms or conditions, such order shall be considered as confirmation only and shall in no way amend, prevail over, supplement or supersede any provision herein. These TERMS AND CONDITIONS may be superseded or revised by Kannegiesser ETECH.

Kannegiesser ETECH has the opportunity to alter pricing of equipment and services if there are any changes or modifications to the package as quoted. Both the customer and Kannegiesser ETECH must mutually agree upon all changes to the equipment configurations and pricing in writing.

Customer is obliged to accept the installation work and the commissioning once it has been shown to be complete. Customer's acceptance of the installation work and the commissioning is documented by the acceptance report signed by both parties. Customer may refuse acceptance only if the equipment and/or the installation and commissioning have serious defects which significantly restrict or make the use of the equipment impossible for the Customer. In the event of minor faults or defects that do not affect the overall function of the equipment, the Customer is not entitled to refuse acceptance. In this case, any defect must be specified in the acceptance report in

written form. Kannegiesser ETECH ensures fault remedy within a reasonable period of time. If the Customer uses the equipment without signing the acceptance report, this means that they agree to the acceptance of the equipment, which is equivalent to signing the acceptance report. If acceptance of the installation and acceptance report is delayed through no fault of Kannegiesser ETECH the acceptance shall be deemed to have been effected after expiration of two weeks' notice from Kannegiesser ETECH to the Customer that the equipment is ready for acceptance.

GENERAL

Kannegiesser ETECH reserves the right to correct any obvious errors in a proposal, quote, sales order, or invoice. Kannegiesser ETECH may assign its rights and obligations under these Terms and Conditions of Sale. If Customer changes its corporate status, both Customer and its successors continue to be bound by these Terms and Conditions of Sale, but Kannegiesser ETECH reserves its rights under DEFAULT. No prior representation, affirmation or agreement shall be enforceable unless set forth herein.

DISPUTE RESOLUTION/GOVERNING LAW

Any and all disputes between Kannegiesser ETECH and Customer shall be determined subject to Minnesota law and its state or federal courts shall have exclusive jurisdiction. The parties hereto agree to the personal jurisdiction of the Minnesota courts. Customer must institute any action against Kannegiesser ETECH within one year after Customer's claim arises, or such claim shall be barred notwithstanding any statutory limitations to the contrary.
